

AMCA NATIONALS TECH

August 2016

Issue 9.1

Welcome to the 2016/17 season

Welcome everyone to the 2016 - 2017 race season, This year AMCA Nationals will also be celebrating 20 years since the class commenced.

Congratulations to all of our title winners and place getters throughout the past season and also to all the award winners in each states presentation nights.

Updated Specie Book.

Please be aware that there has been some minor alterations and clarifications to some existing rules in the specie book. Please take the time to read the alterations and if you are not sure on them please contact Steve or Chris and they will try and help you out.

The specie book is available to be downloaded from the AMCA web site www.amcanationals.net.au .

Chev Engine

After a successful first season with the introduction of the 602 crate engine, Steve has been busy working out a repair procedure for when the possible time may come. The document will be able to be downloaded from the web site very shortly.

Driver Profiles

Every year we are wanting to update our drivers page and add photos and a brief profile of each driver on this page. Please fill in the profile form and email this and a current photo of your car to Chris and he will update your profile. Please email it to bdshafts33@hotmail.com

Chris is also looking for any old photos or articles about amca nationals that you may have collected over the last 20 years.

We are also still trying to fill the gaps in our titles history pages, so if you know who placed in the top 3 places in any state or national title please let Chris know.
